

One Sabbath (God's special day), Jesus heals a woman who can't stand up straight. The religious leaders get mad at Jesus for healing on the Sabbath. ***Jesus says that helping others on the Sabbath is the right thing to do. Jesus does what's right—no matter what. People matter to Jesus!***

Family Together Time

Have some fun as a family. Take a mystery trip to remember that Jesus knows the right thing to do, and he helps us know—and do—the right thing, too.

- Go for a family walk or drive.
- Give two people each a coin, and have them flip the coins just before arriving at each corner or intersection.
 - If both coins are tails, go left.
 - If both coins are heads, go right.
 - If one coin is a tail and one is a head, go straight.
- Talk about how the coins showed you the right way to go. Then talk about how Jesus shows us the right thing to do: Share God's love.

Talk About This...

- When (if ever) is it okay to break our family rules?
 - Why is it important to do right no matter what?
- How can we make sure people are more important than rules?
